

25+ Sweet Blog Post Ideas for Foodies

- Write a seasonal post/recipe
- Share your favorite food blog sites
- Replicate a recipe and write about the experience/outcome
- Share the cookbooks you're crushing on at the moment
- Share a quick baking/cooking tip
- Try a difficult recipe/technique you've always wanted to try and write about it
- Write a recipe round up (with proper permissions and credits, of course)
- Review a local restaurant/bakery
- Write a post about your baking/cooking essentials
- Create a recipe series based on a single ingredient
- Review a cookbook
- Collaborate with another food blogger on a recipe or series of recipes
- Bake or cook with a family member or friend and blog about it
- Interview a fellow blogger, baker, or cook
- Write a post about why you love to cook/bake
- Recreate a recipe from Pinterest and review it
- Write about your favorite childhood recipe and why it was your favorite (be sure to include the recipe)
- Create a recipe with an unusual or exotic ingredient
- Make a recipe 100% from scratch (no pre-fab ingredients)
- Try making a foreign dish
- Take a cooking class and blog about the experience
- Collaborate with another food blogger by making each other's signature dish (or style of dish)
- Perfect a recipe (for example, the perfect cupcake/cake/etc.)
- Participate in a food challenge or charity event and write about it
- Present a recipe in a different format than you usually do (video, GIF, etc.)
- Create a food challenge of your own
